VICTORIA COLLEGE, IN AFFILIATION WITH UNIVERSITY OF BRITISH COLUMBIA
Located in the heart of the best residential section of Victoria, B.C. Has been the home of Victoria College and it is anticipated that arrangements can be made for its continuance. Students can attend classes in the First and Second Year in Arts on the same curriculum as obtains at the parent University. Certificates of the College are recognized pro tanto in the Universities of Canada and the United States.

Victoria College

(In affiliation with the University of
British Columbia)

THE PURPOSE of Victoria College is to give students of Victoria City, adjacent municipalities, and Vancouver Island generally, the opportunity of receiving instruction in the first two years in the Arts Course as prescribed by the University of British Columbia. This opportunity brings higher education within the reach of many who otherwise would be unable to commence a University Course.

The College building is situated near the junction of Yates and Fort Streets, within two minutes' walk of the street cars, and commands the most beautiful views of the City of Victoria, of the Gulf of Georgia, and of the Olympic Mountains in the State of Washington.

Students from a distance who intend to make teaching their life work, and who may choose the Victoria Normal School as the place of their professional education, would find the Victoria College admirably situated for the non-professional part of their studies, as they would be near the Principal of the Normal School, who is always pleased to give advice and assistance to young people who wish to enter the teaching profession.

THE SESSION

The College year or session is divided into two terms, the first extending to the Christmas vacation, and the second from the end of the Christmas vacation to the end of the Sessional Examination in April.

The Session of 1923-24 will begin on Tuesday, September 26th.

Two Matriculation Examinations will be held, one (supplemental) commencing on Wednesday, September 12th, 1923, and the other on June 23rd, 1924.

REGISTRATION

Application for Admission

Application for admission should be directed to the Principal, Victoria College, Victoria, B.C. During September, the Principal will be in his office at the College from 10 to 12 on Monday, Tuesday and Wednesday mornings of each week to receive personal applications and to give information regarding the work of the College.

Friday, September 21st, will be the last day of registration for all students.

Lectures will commence on Tuesday, September 25th.

The complete regulations regarding registration follow:—

1. Candidates entering on a course of study, whether as undergraduates, conditioned students, or partial students, are required before the beginning of the session to furnish the information necessary for the University records, to register for the particular classes which they wish to attend, and to sign the following declaration:

"I hereby accept and submit myself to the statutes, rules, regulations, and ordinances of the University of British Columbia, and to any amendments thereto which may be made while I am a student of the University, and I promise to observe the same."

2. Students who for any reason have failed to register by the date specified above, will be permitted to do so within a limited time thereafter, **but only on payment of a fee of \$2.00 for late registration.**

3. The Principal is empowered to register all students whose records show that they are entitled to attend the classes applied for. To enable him to determine this, new students **must present certificates at time of registration.** All doubtful cases will be dealt with by the Faculty.

ATTENDANCE

1. Students are required to attend at least seven-eighths of the total number of lectures in each course. Those whose unexcused absences exceed one-eighth of the total number of lectures in a course shall not be permitted to come up for examination in that course, but may sit for supplemental examination; those, however, whose unexcused absences exceed

one-fourth of the total number of lectures in any course must repeat the work in that course.

Excuses on the grounds of illness or domestic affliction will be dealt with only by the Principal. Medical certificates must be presented immediately on return to University work.

2. A record will be kept by each Professor Lecturer, in which the presence or absence of students will be carefully noted. This record will be submitted to the Faculty when required.

3. Credit for attendance at any lecture or class may be refused on the grounds of lateness, inattention, neglect of duty, or disorderly conduct in the class-room or laboratory.

4. Lectures will commence on the hour, or at the conclusion of the roll-call. After the commencement of a lecture students are not allowed to enter, except with the permission of the Instructor. If permitted to enter, they will, on reporting themselves at the close of the lecture, be marked "late.". Two "lates" will count as one absence. Lectures end at five minutes before the hour.

CLASSES OF STUDENTS

There are three classes of students:—

1. Undergraduates—Students who have passed the Matriculation Examination and, in the case of a Second Year student, all the examinations of their course in the years below that in which they are registered.

2. Conditional Undergraduates—Those with defective entrance qualifications or those who have failed in one or more of the subjects of their course

in the year previous to that in which they are registered.

3. Partial Students—Comprising all those who, not belonging to one of the above classes, are taking a partial course of study. Such students may, subject to the approval of the Principal and the Head of the Department, attend any class without previous examination.
